## Hot Water Systems

### Energy Saver Incentive

Consumers in respect of whom a prescribed activity is undertaken can create Victorian energy efficiency certificates (VEECs) under the Victorian Energy Efficiency Target Act 2007. One VEEC represents one tonne of carbon dioxide equivalent (CO<sub>2</sub>-e) to be reduced by the prescribed activity undertaken by the consumer.

#### Terms and Conditions

- Consumers are able to assign their right to create VEECs to an accredited person. In assigning their right to an accredited person, the accredited person will be entitled to create and own the certificates in respect of the prescribed activity undertaken by the consumer. In return, the accredited person should provide consumers with an identifiable benefit for the assignment, such as a price reduction on a product, free installation or a cash-back arrangement. Consumers should be aware that it is their responsibility to negotiate satisfactory terms with the accredited person in return for assigning their right to create VEECs.
- I agree I will repay the amount of the VEEC payment to Greenbank Environmental Pty Ltd should my assignment be invalid or if Greenbank Environmental is unable to create the VEECs with the Office of the Essential Services Commission.
- At regular intervals we set the price we are willing to pay for VEECs and inform our network of installers and other suppliers of that price. For each VEEC we are assigned the right to create, we will pay the price prevailing at the time we upload the details of your System into the VEEC registry.
- You authorise Greenbank Environmental to correct any incorrect details included by you in this form.
- Greenbank Environmental cannot be held liable for forms that have not been received by us. If you are faxing your forms in, please print off a fax communications report at the end of your transmission to verify the number of pages actually sent.
